Outlook 1989

The 1989 Fort Hays State University football season outlook was derived from a question and answer session with Tiger Head Coach John Vincent. Specific information on the staff and squad can be found in the box on the next page titled "A Capsule Look".

How do you view the transition year between conferences (going from CSIC to the RMAC) as it relates to football?

In truth it will be a big transition because we are still playing the old CSIC people, some people we will probably never play again and we will play several of the RMAC teams. I think it will be a good situation once it is completed because scheduling can be set for six to eight years and that will alleviate a lot of headaches from an administrative standpoint. I believe the competition will prove to be very good in the RMAC.

How do you plan to combat the length of your 1989 road trips?

With our membership into the NCAA, it is just something we have to do to meet their requirements. Hopefully we won't have to play people like Northern Iowa and Western Illinois in the future. You just have to accept it as something that has to be done and not dwell on it. That's the way we will approach it. It's no big deal.

What kind of character do you feel the '89 squad will assume?

I see us in a growth state. Looking at us realistically we are about a year away. I say that for two reasons. One is that we have a lot of people who are going to be juniors. Number two is that we are playing an awful tough schedule. I think that what people are going to see is a development in this growth period that will peak this fall. The character that we will see is the melting of all of those individuals into a cohesive unit. I think a marked characteristic you will see come out of this bunch is mental and physical toughness. They will have the ability to overcome adversity.

You made some changes in the offensive scheme last spring. What was the philosophy behind that move and will your squad adjust?

There are two things that we based those changes on. When we lost Craig Modellmog (FHSU's quarterback who was injured in the second game), we no longer had a run-and-shoot quarterback, our receiver corps was depleted and we were at a point where we were going to recruit a large number of players to play in the run-and-shoot or make a change. The other thing that prompted us to make the change was that with the run-and-shoot we had great people in Robert Long (quarterback) and Terry Thomas (runningback) back in '85 that could be productive regardless of the weather. Since '86 we haven't had that ability. If the wind was blowing, we could only play two quarters of offense. It's very difficult to win playing half a game of offense. There is an excitement now with our team and this offense. Our offensive line is a lot more aggressive and the defense is happy because of a more ball-control offense.

Offensive line depth has always been a problem. How does this area shape up this season?

We are looking very good in that area. We have some depth and that is important. We are bringing in some young people who we hope will be able to grow and mature as a result of our depth.

With an emphasis on the running game, who will be called on to do the bulk of the running?

We have several good runningbacks who will be back that were available in the spring. Lonnie Hayes will be much approved along with Kerry Henderson. The bulk of those duties will come from Brad Miller, David Lemons, who will have to run like he is capable, and the key is Jeff Sinegal who has the size and strength, but the most important thing is he has the speed that others don't.

A three-player battle at quarterback was shaping up in the spring before Bryan Maring was injured. Will all three have a shot at the job this fall?

I don't see any reason that that will change. If you look at just the pluses on each of the three, it should be an interesting battle. Milt McGriggs has great athletic ability, ran the option well for us last year and is very durable. When you look at Bryan Maring, it is his knowledge and expertise mentally that sticks out and he is not afraid to turn it up for the yardage that you need. Mike Socci has all of the physical attributes to be a great quarterback. All he needs is some experience and he may be the one that comes through.

You have six of your top eight tacklers returning on defense. Is this any indication of the strength of the unit?

Who are the newcomers that you feel will have an impact on defense?

How healthy is the kicking game with the loss of both primary kickers from a year ago?

What are your goals and expectations this season?

We didn't lose very many people on defense. The guys we have coming back know what we want done and are comfortable with the system. I think the defense is one of the great strengths of our team.

Keith Dean should be an impact player in the defensive secondary. He is Ken's brother and could also see action with the offense in an emergency. Monte Rediford will provide us with size and depth on the defensive line. Rediford may give Greg Yost a little extra time to come back from his knee injury.

The outlook is not as good as heading into last season with the loss of punter Johnny Morin. I don't have a problem with the placekicking. I feel between Roy Miller and Mike McCall that we will get the job done. Both of those guys will push each other and work well together. When we lost Morin, we lost a lot of field position. His loss does leave a void in the kicking game. I'm not sure that we can replace him. From the look of things, it could be a pure freshman in that spot, which is not an ideal situation.

When you look at a win-loss record, our goals are to win as many games as we can. Obviously, we'd like to pull off upsets against the NCAA-1AA teams on the schedule, win homecoming and qualify for the playoffs. I want to see our offense become established and be a power. I expect our team to be physically and mentally disciplined to handle any kind of adversity that would come along. We plan to set up individual unit and team goals in a realistic range and work toward accomplishing them.

Head Coach John Vincent

John Vincent has compiled a 19-19-2 record in four seasons as head coach of the Tiger football program. Vincent led FHSU to a 7-2-1 record and a number 12 ranking in the NAIA's final poll in his first year as a head coach in 1985.

A native of Medicine Lodge, KS, Vincent spent three seasons as an assistant at Fort Hays State before assuming head coaching responsibilities. He was responsible for coordinating the defense under Bobby Thompson in 1984 and held down the same position for Jim Gilstrap during the 1982 and 1983 seasons.

With experience in the high school and junior college ranks, Vincent has coached at all levels. In 1980-81, he was the defensive secondary coach at New Mexico Military Institute. He has also made stops at Victoria and Claflin high schools in his coaching career.

The Tiger head mentor received both his undergraduate and graduate degrees from Fort Hays State. He earned his Master of Science in physical education in 1982 and his Bachelor of Science in biology in 1971. While working on his master's degree, Vincent was a graduate assistant on the FHSU coaching staff.

Vincent attended Kansas State University prior to finishing his undergraduate work at Fort Hays State. His football playing career was cut short by a stint in the Army. He played cornerback and free safety on Army post teams that competed in inner-service games. Vincent went out for Tiger spring ball in 1979 but was unable to continue playing due to an illness.

John and his wife, Mary, are the parents of twin sons, Shiloh and Tanner and also have one daughter, Shamra.

The Vincent Philosophy

"Football is a game. I think you have to view it in that perspective. You have to be intense and concentrate on what you are doing, but you've got to keep it in perspective. If you are doing the best that you can and still lose, it is not life and death. It's not like you've been told you are going to be shot. I think it has to be approached as a teaching philosophy and not screaming, yelling and belittling the players. You have to teach your kids mental discipline and how to maintain composure. If you are going to play football it has to be a positive experience because it is enough hard work playing and practicing. You have to have some kind of rewards and its got to be fun, especially when you play a game."

Tiger Assistant Coaches

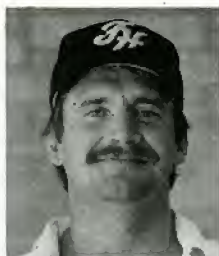

Duane Dirk - Defensive Coordinator

Duane Dirk joined the Tiger coaching staff in the spring of 1987 and gave new life to the defense as a coordinator. Dirk came to FHSU following a successful stint at Coffeyville Community College as an assistant in Dick Foster's respected program.

Dirk had responsibilities as the defensive coordinator, and with the defensive line, linebackers and strength and conditioning in his four year stay at Coffeyville. The Red Ravens posted a 39-7 record from 1983-87, won a NJCAA National Championship in 1983 and were the Kansas Jayhawk Juco Conference's best defense and ranked 10th nationally in 1986, all while Dirk was a part of the program.

A native of Milwaukee, WI, Dirk played varsity football at Kansas State University. He was a three-year starter at defensive tackle, academic all-America (1979), all-Big Eight Academic (1979) and honorable mention all-Big Eight (1979). Dirk also held graduate assistant and part-time assistant coaching positions at his alma mater from 1979 to 1983.

Duane and his wife, Melody, have four children: Duane, Jr., twins John and Jennifer, and Travis.

Pat Poore - Offensive Coordinator

Pat Poore has been involved in the Tiger football program since 1980 when he signed out of high school to play for FHSU. He served three seasons as the defensive secondary coach and last year was named the offensive coordinator.

Poore was a four-time letterwinner on the Fort Hays State football squad at free safety. He played some quarterback as a freshman and sophomore. He was named to the first team All-District 10 and All-CSIC squads as a senior. He still holds a share of the Tiger career record for interceptions with 11.

The Stockton, KS, native joined the coaching staff as a student assistant in the spring of 1985 after the completion of his final season as a player. He was named a full-time assistant in the spring of '87. Poore earned his bachelor's degree in physical education in 1984 and completed work on his master's in 1986.

Pat and his wife, Gwen, have a son, Trevor, who will be two years old in September.

Tiger Veteran Profiles

Mike Allen

CB 5-9 180 Junior Denver, CO
CAREER: Mike earned honorable mention all-CSIC recognition last year as a sophomore. Will likely start at a cornerback spot for the Tigers this fall. He has started 15 games in his two-year career at FHSU. Ranked seventh on the '88 squad in total tackles (41) while leading the team in interceptions with three. Had his best career outing when he returned to his home state to play at Western State (CO). Compiled nine tackles and had two passes broken up against the Mountaineers in the '88 season opener. Has also had nine-tackle outings against Missouri Western and versus Pittsburg State in 1987. Pulled down interceptions against Cameron, Wayne State and Emporia State last year. Was a three time letterman in football and track at Alameda High School in Denver. Earned all-conference honors as a junior and senior in football. Also played runningback in high school with a best of 223 yards and two touchdowns against Wheat Ridge. **PERSONAL:** Born January 8, 1969 ... is a sociology major ... son of John and Alice Allen ... lists Walter Payton, Eric Dickerson and Michael Jordan as favorite athletes.

Frank Brown

DT 6-4 254 Senior Cape May, NJ
CAREER: After a great season when he was the Tigers' second leading tackler with 56, Frank was hampered by injuries early last season and did not start the first three games. He is projected as a starter on the defensive line heading into fall practice. Had 40 total tackles in '88 to rank eighth on the team. His quarterback sack total fell to one after six the previous season. Notched a season high eight tackles against Missouri Western in a 22-20 FHSU win. Played in all ten games in '87 with starts in nine of those contests. His career best outings came against Northwestern Oklahoma State and Cameron with nine and 10 tackles, respectively. Also had two quarterback sacks for 21 yards in losses against Northwestern Oklahoma State. Earned honorable mention All-CSIC honors in '87. Played a season at Gloucester County College in Sewell, N.J. Was a three-time letterwinner in football, basketball and track at Middle Township High School. Was a first team all-conference pick in basketball and earned second team honors in football. **PERSONAL:** Born September 24, 1963 ... is a physical education major ... son of Frank H. and Irene Brown ... lists Magic Johnson as favorite athlete.

Chris Capettini

DL 6-2 228 Sophomore Golden, CO
CAREER: Chris was called on to start FHSU's final three contests in '88 after the defensive line was depleted by injuries. He filled in well with 17 of his season total 21 tackles in those three outings. Led the team in tackles against Emporia State in the ninth game of the season with 14 total stops, including his only quarterback sack. Will likely assume a special teams and reserve role to start the '89 campaign and will contribute if called on to start again. Was a three-sport standout at Wheat Ridge High School where he earned letters in football, basketball and track. Honored as an all-conference pick in football and was named the school's athlete of the year as a senior.

PERSONAL: Born March 29, 1969 ... is a communications major ... son of Dave and Linda Capettini ... lists Ricky Hunley as favorite athlete.

Fort Hays State University

Rarick Hall is one of the newest buildings on the Fort Hays State campus and the largest state-owned, partially solar heated building in Kansas. The hall provides office and classroom space for the School of Education, the departments of art, history, sociology, political science, mathematics, philosophy, foreign languages, and English, and the area of journalism.

Founded in 1902 on the Plains of Western Kansas, Fort Hays State University is the second youngest of the six state universities of higher education.

From an exciting beginning, when 34 students were greeted by two faculty members and a 19-course curriculum, our University has grown to a student body of 5,100, a faculty of nearly 300, a support staff of 250 and a curriculum comprised of 1,500 courses.

Fort Hays State University is one of six state-assisted universities governed by a Board of Regents appointed by the Governor of the State of Kansas.

The main campus of FHSU sits on 200 of the 4,160 acres owned by the State of Kansas and deeded to the University. Winding Big Creek, with its shady, grassy banks, traverses the campus and provides not only a tranquil, conducive learning atmosphere, but also a natural laboratory for students in the biological sciences. Our campus has often been called the prettiest in Kansas.

Fort Hays State University is located in Hays, the largest city in northwest Kansas. A progressive city of 17,500 people, Hays is an old cow town on the Union Pacific railroad. The old and new blend beautifully to form a city that is small enough you can feel comfortable in, yet is large enough to provide culture and shopping facilities second to none.

The University is comprised of five schools: Arts and Sciences, Business, Education, Graduate, and Health and Life Sciences.

FHSU is academically superior to any comparable universities and is richly endowed by heritage and tradition. A recent survey showed that while there are a multitude of reasons why students come to our University, their overwhelming response was "because of the University's reputation for academic excellence."

Fort Hays State University supports one of the most extensive intercollegiate sports programs of any comparable size college or university in America. More than 350 athletes annually compete in 14 men's and women's sports. FHSU is a member of the newly restructured Rocky Mountain Athletic Conference, a league made up of 11 schools from the states of Colorado, Kansas, Nebraska and Oklahoma.

Lewis Field Stadium

Lewis Field Stadium played host to 17,352 fans in '88 which included a crowd of over 7,000 for homecoming activities. The Tigers will play five home games this season.

Lewis Field Stadium, the 7,000-seat home of the Tigers, was constructed in 1936 on what was formerly the Golden Belt Fairgrounds, and named in honor of William Alexander Lewis, president of Fort Hays State University from 1913 to 1933.

The native limestone structure is located beside a spacious tree-lined drive and is just a short walk from the campus residence halls and the downtown business district.

An average of 3,400 fans saw the Tigers play in '88 with the western Kansas weather good for most contests. The largest crowd was projected at 7,106 for a homecoming game with Wayne State.

The stadium turf is Bermuda grass, the same strong-rooted plant used in many golf course greens.

Dressing rooms, concession areas, athletic training facilities and equipment storage rooms are located under the grandstands. New restroom facilities were completed before the 1986 season, replacing older outdated ones.

Admittance to the stadium is allowed through two main gates, one on the east side and one on the west side. Four ticket windows are in service for each game.

Atop both grandstands are press box facilities which provide seating for writers, statisticians, radio stations, scouts and film/video crews. The home (KAYS Radio) radio facilities are located on the west side along with the home coaches box and all film/video crews. The east side is made available for all press, visiting radio, FHSU sports information, visiting information personnel, public address, scoreboard operations and a private box for the president of the university and guests.

An eight-lane cinder track surrounds the playing field and adjacent to the stadium are regulation-size practice facilities.

The Administration

Dr. Edward H. Hammond - President

Dr. Edward H. Hammond, 45, is the eighth President of Fort Hays State University. A man of boundless enthusiasm and energy, whose style is upbeat and progressive, President Hammond was born in McAllen, Texas, but reared in the Kansas City, KS, area.

Prior to his current post, President Hammond gained educational experiences and shared his expertise at the University of Louisville, Seton Hall University, Southern Illinois University, Purdue University, and the University of Missouri, Columbia. The President holds bachelor's and master's degrees from Emporia State University and the Ph.D. from the University of Missouri, Columbia.

President Hammond has been extremely active since assuming the leadership of the University in the summer of 1987. He laid the groundwork for the Western Kansas Educational Compact, a cooperative educational initiative between FHSU and the community colleges in Western Kansas; is watching his dream to totally computerize the campus quickly become reality; created a Western Kansas Coalition, an organization comprised of business and community leaders from 57 Western Kansas counties; helped to establish scholarship programs for potential minority school teachers at Garden City and Liberal; and has played a major role in furthering economic development in Hays and Western Kansas.

President Hammond has published widely and is in demand nationally as an educational consultant because of his expertise in risk management, staff and institutional liability, sexual harassment, and alcohol education issues.

The Hammond family includes wife Viv (Hammeke), formerly of Ellinwood, daughters Kelly and Julie and son Lance.

Tom Spicer - Director of Athletics

When Tom Spicer was named to the director of athletics post at Fort Hays State University on July 27, 1989, he said it was something he had dreamed about for quite some time. Spicer has returned to his roots in athletics and education.

A native of Beaver, OK, Spicer attended secondary schools in Hays. He is a graduate of Hays High School and earned a bachelor of science degree from Fort Hays State in 1972. He played varsity football for the Tigers in his collegiate days. Spicer also received his master of science degree from FHSU in 1977. He is completing a specialist in education degree with work at both Southeastern Oklahoma State University and The Wichita State University.

Spicer is making the move from director of athletics and dean of student affairs at Butler County Community College in El Dorado back to FHSU. "I look at this as a good, professional move," Spicer said at the announcement of his appointment at FHSU. "I will have an excellent opportunity to share my knowledge and experiences and will gain some new experiences at a quality, four-year institution. Everyone in the midwest knows that Fort Hays State University is a great school."

The 38-year-old Spicer also has experience as director of athletics, physical education instructor, head football and track coach for the Durant, OK, school district. Previous to his work in Oklahoma, he taught and coached at Salina South High School, at Bishop Miege High School in Shawnee Mission and at Schlagle High School in Kansas City, KS.

Spicer is married to the former Kathy McGovern of Garden City. She received a bachelor of arts degree in sociology from FHSU in 1972. The Spicers have four children: Mathew (14), Amber (11), Kristen (9) and Allison (7).

1988 In Review

Western State 32, Fort Hays State 29

GUNNISON, CO (Sept. 3) Second chances are few and far between on the football field. So when you give a player an opportunity to win a game after he has been denied a first attempt, it's no wonder that he seizes the opportunity. Western State place-kicker Jim Lockhart did just that in the Tigers' season opener in 1988. Lockhart was set to deliver a field goal attempt of 28 yards with :38 seconds remaining in the game and the score tied at 29-29. Lockhart hit the gamewinner from 46 yards after his teammates recovered a bad snap. FHSU let a 26-14 halftime lead slip away by allowing 18 fourth quarter points. The Tigers built their first half lead on the strength of interceptions returned for touchdowns by Kenneth Dean and Ron Gordon. Western State on the other hand relied on the duo of quarterback Steve Atwood and tight end Eric Blanke who combined for six receptions for 169 yards.

Fort Hays State 13, Cameron 13

HAYS (Sept. 17) — Surprise is an excellent weapon when facing a confident squad coming off of a national championship season. The Tigers proved that against Cameron when they unveiled an option offense after only a few days of practice with defensive back turned quarterback Milton McGriggs at the controls. FHSU rushed for over 200 yards for the first time since the opener of the '87 season and only fumbled the ball away twice. The Tiger defense was also excellent holding Cameron to zero pass receptions and 176 yards rushing. The Aggies scored touchdowns in the second and third periods to go up 13-0, but the big play capabilities of the option offense proved to be the spark Fort Hays State needed. Midway through the third quarter freshman Kerry Henderson broke a long run for a 67-yard touchdown. The Tigers capped their comeback with field goals of 32 and 52 yards. Tom Odle connected on the latter field goal with only :17 remaining on the scoreboard clock. Henderson rushed for 130 yards on nine carries in the game while Tyrone Tracy kept FHSU in good field position with three punt/kickoff returns for 95 yards. Quarterbacks McGriggs and Kelly Vigil completed five of nine passes, but more importantly, did not throw any interceptions.

Northwestern Oklahoma State 23 Fort Hays State 3

HAYS Sept. 10) — When Tiger quarterback Craig Modellmog went down early in the first quarter it changed the complexion of FHSU's entire season, not to mention the game against Northwestern Oklahoma State. Freshman Kelly Vigil came on to replace Modellmog but could not lift the Tigers out of a lackluster performance. The Rangers capitalized on a Tyrone Tracy fumble and Vigil interception to score 14 unanswered points in the second period. That turn of events proved to be enough to give Northwestern Oklahoma State the momentum and ultimately the victory. After Modellmog left the game, Fort Hays State drove deep into NWOSU territory twice only to miss a 38 field goal attempt and fumble away an opportunity at the Rangers' 20 yard line. The Tigers could muster only 99 yards in total offense compared to 326

Kearney State 26, Fort Hays State 13

KEARNEY, NE (Sept. 24) — Fort Hays State and Kearney State took turns scoring by halves largely due to a strong south wind. The Antelopes capitalized on good field position to score on a safety and 19 yard pass in the first quarter. Even when the Tigers got the wind to their backs in the second stanza the wind played havoc with the kicking game and Kearney State recovered a fumble on a kickoff, turning it into six quick points. KSC posted a 26-0 lead at the half. Fort Hays State came out in the second half to score on its first possession after a Loper fumble. The Tigers scored again at the 9:37 mark of the fourth period, but the key series for the Black & Gold came minutes later when KSC gave the ball up on a bad snap on a punt at the eight yard line. FHSU had four tries to cross the goal line, but failed on each attempt. Quarterback Gary Hurt paced the Antelope attack, completing 12 of 18 passes for 133 yards and a pair of touchdowns. Chuck Mosley was also effective from his runningback position with 108 yards on 17 attempts. Tyrone Tracy provided most of the Tiger offense with three receptions for 57 yards and 10 rushes for 35 yards.

the game 1-3 while FHSU was 0-3-1 and searching for its first win of the season. Quarterback Alan Brown surprised the Tigers and the large crowd with a 40 yard touchdown run on a quarterback draw on MSSC's second possession. Brown kept the home team off balance the remainder of the game with a mix of pass and run. The Lions' freshman quarterback entered the contest as one of the nation's leading passers. Brown connected nine of 22 passes for 162 yards, but also ran 11 times for 46 yards. FHSU once again went with the combination of Milton McGriggs and Kelly Vigil at quarterback yet neither signal caller was able to get the offense rolling. McGriggs scored the Tigers only touchdown on a one-yard run late in the first quarter and left the game shortly after that with a shoulder injury. Vigil was sacked six times in the second half to negate any drives the Black & Gold could get going.

Fort Hays State 31, Wayne State 12

WAYNE, NE (Oct. 8) — Fort Hays State scored 21 unanswered points over the first 24 minutes of the game to spoil Wayne State's homecoming festivities early. This contest proved to be the Tigers most effective offensive outing of the entire 1988 season. The Tigers seemed to let Wayne State back in the game when Bud Sachs blocked a Johnny Morin punt and returned it for a touchdown late in the second quarter. But FHSU grabbed the momentum back when Tom Odle hit a 38-yard field goal with no time left on the clock heading into the lockerroom at the half. FHSU compiled 422 yards in total offense with Kelly Vigil engineering the squad. Vigil handed the ball to the right people to establish a running game. The freshman duo of Walt Burton, 99 yards and a touchdown, and Kerry Henderson, 88 yards and two scores, provided much of the offense. The Wildcats were held to just under 150 yards in total offense, threw two interceptions and gave up four quarterback sacks against a stingy FHSU defense.

Pittsburg State 61, Fort Hays State 17

PITTSBURG, KS (Oct. 15) — A career day for one player spelled doom for the entire Fort Hays State squad. Scott Bailey pulled down touchdown receptions of 2, 8, 41 and 18 to lead the Gorillas over FHSU. Bailey had scored only one touchdown in his career prior to the contest. The Tigers stayed close in the first quarter trailing only 7-3 after 15 minutes. But Pittsburg State exploded for 28 second-period points to put the game out of reach. The Gorillas posted 450 yards in total offense compared to only 191 for FHSU. Sophomore quarterback Jay Padden passed for 148 yards and three touchdowns, all to Bailey. The Tigers were able to pass against the perennially tough Pitt State defense but were unable to establish the run with only 30 yards in 34 rushing attempts.

Fort Hays State 22 Missouri Western 20

HAYS (Oct. 22) — The defense gave the Tigers life early when Rob Gruendell blocked a punt and recovered the ball in the end zone to put FHSU up 7-0 late in the first quarter. Missouri Western racked up nearly twice as much offensive yardage as the Tigers but were unable to put the ball in the end zone. FHSU took advantage of good field position to score points in every period despite only 176 yards in total offense. As has been the case for most of the last two years, Tyrone Tracy excelled for the Tigers. Tracy scored touchdowns on a 20-yard run and a 30-yard pass from Kelly Vigil but more importantly was responsible for FHSU's field position with 110 yards on punt and kick returns. Fort Hays State's defense was on the field for much of the game as is evident in the tackle totals. Five Tigers had eight or more tackles: Kurt Dinkel 10, Mike Allen 9, Doug Blank 9, Shawn McKinney 8, Frank Brown 8.

Emporia State 37, Fort Hays State 10

EMPORIA, KS (Oct. 29) — This game was over early when the Hornets scored 18 points in the first quarter and never looked back. Fort Hays State entered the game short on manpower, especially at the quarterback position. Kelly Vigil was unable to move the club and eventually was removed with a separated shoulder. Freshman Troy Mead saw limited action before Milton McGriggs came in, despite a bout with shoulder problems of his own, and moved the offense in the fourth quarter; but it all came a little late. While the Tigers were having their problems at the quarterback spot, Emporia State's Mike Burch provided consistency rushing for 65 yards on nine carries and throwing for 92 yards and a pair of touchdowns. The Hornets ran for 221 yards and 313 yards in total offense. FHSU fumbled four times and lost three fumbles.

Fort Hays State 22, Washburn 14

HAYS (Nov. 5) — You could smell it in the air. The Tigers were primed for an upset. The weather played a part. Washburn's number 11 ranking was looming as a motivator and with several players shaving "upset" in their hair all that was left was for FHSU to pull it off. When senior placekicker Tom Odle opened the scoring with 4:49 remaining in the first quarter with a school record 67-yard field goal, it was in the bag. The cool temperatures and 25-35 mile per hour winds boosted Odle and the Tigers while it seemed to take the fight out of the Ichabods. FHSU went on to outscore Washburn 22-14, but it was a struggle all the way. Milton McGriggs threw for only 16 yards, completing two of five tosses. Freshman runningback Walt Burton exploded for 113 yards rushing on 17 carries including scoring runs of 76 and one. The Tigers did not have a big advantage in total yardage, 305 to 289, but much of Washburn's offense came in the fourth quarter when the game seemed to be out of reach. The Ichabods did not muster much of a scoring threat after their score at the 12:55 mark of the final period.

Fort Hays State and the NFL

Les Miller battled injuries last season but still gained valuable professional playing experience with the San Diego Chargers. Miller made the Chargers as a replacement player during the NFL player's strike in 1987 and was able to earn a permanent job with the club following the labor dispute. Miller, who played three seasons at Kansas State before finishing at FHSU, played defensive tackle for the Chargers. The Arkansas City, KS, native scored a touchdown on a sack and fumble recovery against Kansas City in '87.

Frankie Neal, also a Tiger in 1986, played in 12 games for the Green Bay Packers in 1987. Neal could not stick with the Packers last season, but was expected to get a tryout this fall.

Steve Crosby was a Tiger from 1971-73 and has also been successful in professional football. Crosby played three seasons for the New York Giants before a knee injury ended his career in 1977. He was selected in the 17th round of the 1974 NFL free agent draft. Since the end of his playing days, Crosby has coached with the Miami Dolphins, Atlanta Falcons and the Cleveland Browns. Crosby returned to the Falcons in '87 as the quarterback coach.

NFL squads also employ several support personnel who were affiliated with Fort Hays State. Steve Antonopolus was the Tigers' athletic trainer in the mid-70's and is now the head trainer of the Denver Broncos. Antonopolus gave Brad Brown his start in the NFL. Brown is now the head trainer for the Houston Oilers. A native of Norton, KS, Brown was on the FHSU staff from 1978-85 and earned both a bachelor and master's degree at Fort Hays State. After five years at the University of Southern California, Jerry Simmons was named Strength and Conditioning Coach for the New England Patriots in June of 1987. Simmons, who hails from Elkhart, KS, is a '77 graduate of FHSU where he was a two-time letterman in football and a member of the Tiger coaching staff in 1978 and 1980.

A number of former Tigers were signed as free agents, but none are known to have played in the NFL.

Why the Tiger?

The nickname "Tigers," given to Fort Hays State's athletic teams, traces its origin to the year 1913.

The Tiger is transplanted from the mascot of the University of Missouri. William A. Lewis, president of FHSU from 1913 to 1933, taught in Missouri schools and colleges, and was responsible for the adoption of the Tiger as FHSU's mascot.

Lewis also is credited with adding the color black to the original college color, gold, to identify Fort Hays State as independent of the Emporia Normal School. At that time FHSU was known as the Western Branch Normal School.
